SPOCO'S

S. M. Kaluti Composite Sports Residential C.B.C.E. School, popularly known as Sports School, Chandargi, is one such Educational Institution in the country that has adopted a multi dimensional curriculum. It has established a trend of achieving academic excellence, producing National and International sportsmen and talents in co-curricular activities as well. This Institution has reached enviable heights in a short period of time as a result of dedicated and tireless efforts of its founder Mr. S. M. Kaluti and Board of Directors who have clear insight, unshakable, innovative and progressive ideals to which they have always stuck giving the institution a near perfect shape.

S. M. Kaluti Composite Sports Residential C.B.C.E. School, recently established is of the same ideal and vision. It is a service based on the principle of 'no loss no profit'. What the management intends is to offer remarkable contribution to the society in the form of producing research minded, promising, future personalities to the fields of Science and Technology apart from sports personalities.

Center of Power & Motivation

The Main Office Building (Once a Summer Palace of the Maharaja of Torgal)

Vidya Chetan, The School Building where the future of the students is being shaped

MISSION

To strive to impart education that caters to the needs of future generation for better life,

To provide every possible opportunity to each individual for intellectual, physical and cultural growth,

To equip them with essential knowledge and ability in the fields of Science and Technology to enable them to face challenges in their career,

To make them realise the importance of time, love for work and bear affinity for all.

VISION :

To recognize every individual's innate ability and to channel it towards perfection.

To educate the community in such a way that at least a handful of them emerge as special people in top spheres of life constantly.

To keep on such an atmosphere that will enlighten and inspire students that helps them reach their destiny.

To help them excel in academic, sports and cultural fields.

To motivate students to love the nation and pledge to do something for the cause.

LOCATION:

S. M. Kaluti Composite Sports Residential C.B.S.E. School Chandargi, is situated on a small hillock near Chandargi, a small village in Ramdurg Taluk of Belagavi district. It is on the Belagavi - Bagalkot State High-Way in the middle, between the towns, Belagavi-73km and Bagalkot-70 km away from here. The school campus is spread over an area of 100 acres of serene greenery, about 25 acres of land is covered by an orchard with chikku, coconut and mango plantation. There are three small but beautiful gardens within the precincts of the main office and the Dining Hall-Library Building

INFRASTRUCTURE :

There are separate Academic and Administrative Blocks. Academic block includes spacious, well ventilated classrooms and are furnished with comfortable seating arrangement. Each classroom is equipped with modern dustless glass boards. Classes from VI to X standards of both Kannada and English mediums are conducted in a separate two storey School building which has a big Function Hall on the first floor of it.

LABORATORY :

There are well equipped separate laboratories for Physics, Chemistry and Biology. Practical based study of science is given priority. Practicals and experiments are done under the supervision of a special Science teacher. There is a Lab. attender to assist.

COMPUTER LAB :

The Computer lab is equipped with modern computers. Computer Science form part of the syllabus. There are two Computer assistants who manage classes. There is an internet facility. The whole system is computerised.

ADMINISTRATIVE BLOCK :

The main administrative office of the Institute is run in the Maharaja Building which was once the Summer Palace of His Highness, the Maharaja of Torgal. President's Chamber, Office and a Meeting Hall occupy the ground floor and the Conference Hall with attached large rooms meant for accommodation to VIP's do on the first floor

The place Where stones are shaped into statues

HOSTEL :

A large full-fledged hostel building of unique architecture is newly constructed at an estimated cost of Rs. 1.5 crore. It is well furnished with new cots and beds in each decent dormitory. Limited number of wards are accommodated in each dormitory to make their stay highly comfortable one. There is 24 hours water supply here. Accommodation to faculty members is also arranged here in separate rooms to facilitate proper supervision and integration among the staff and the students. Separate hostel facility for the school.

MESS :

Mess building is another attraction of the school. Large Dining Hall on the ground floor accommodates 700 students at a time. Separate kitchen with all modern facilities like steam, gas and bio-gas for cooking, a flourmill, separate storerooms and a bakery to supply bakery items to the students regularly are the features of the mess. About half a hundred mess workers including expert cooks are engaged on mess duty. The mess manager looks into it. Wholesome and nutritious food, not limited in quantity is provided in variety to the students. Care is taken to see that the mess service is good enough that the students do not miss their homes.

LIBRARY

It occupies the first floor of the magnificent mess building which resembles the Parliament Bhavan in shape. It is equipped with a large collection of a variety of reference books on all disciplines to enrich knowledge. Text books, magazines, journals, periodicals and other ought to be read, books and periodicals are systematically stacked up areawise, It is furnished with ultra modern furniture for the comfort of readers. An expert librarian sees to it, There are multiple copies of books in three languages viz; English, Kannada and Hindi.
